Noh Treastre perferencese so one of the oblest faparence art forms, as it dates back to the 18th century. The largest Noh School of Kanze, which originated directly from Noh fasander Kan'ame (1833-1846) and Zoawe (1863-1443). The Kanze school vasited Now Nork and perferenced at Elecular Cost from Ish's January.

The 26th Grand Master of the School, Kipskagu Karan, graciously talked with Chapatoks NY about Noh and New York andereces

For those who are not a familiar with Noh Theater, how would you describe the saint! of Nob and how do you suggest they evjey our of Jopan's oldest theater performances? Not Treate is gate an old art form indeed, but I don't wrist people to think it's too complicated. They

The Fater of the Title like of Holies etc.," but I want them to finget about those percompilerer. Please feel the best of like Not performance, such as the basets of the York performance as stage.

So it can be endocreteed without words!

So it can be undervised without world: I shall it would help you to understand more if you check the propose in advance, as even just a rough stee of the story would help. Just blee you research the story in advance, when you go be see an open. These with extend does not your make the unset of These with extend does not your make the unset of

You have performed outside of Jopan multiple turns. How at the reception from these authences?

In terms of the Now Nock audience, I not not that they are very selecus about our performance, even learing flowled in order to appreciate what they are experiencing at that reminist. That tension twoscends us this performent; They are well-manneed as well, and we are gotaful for that

In it the name in other countries? Or is this unique to New Yeckers?

Think it a snopely New Yark, I feel like the audencess are recentored to enjoying theater performances, and count on qualifield for that.

Are there any things you do to popularize Not Theater in fereign countries and in-

08. O-CHUGEN: Summer Gift Giving Culture in Japan

Japan has a glitt giving custom in the midst of the summer called O-CHUGEN. Though smaller in scale than the year end gift-giving, O-SEIBO, the summer gift season is stronger in seasonality than its winter counterpart. Here we introduce some summer gift ideas from Japaneses O-CHIJGEN.

10. Gifts to You from Chopsticks NY Sponsors

Ten of Chopsticks NY's Sponsors offer gifts/discounts/promotions for you. Check out their offerings and enjoy the summer.

o-bon

n summertime, Japanese people enjoy various lively festivals, but the culmination of summer is a spiritually upliffing time known as "O-bon," observed from the 13th to the 16th of August. O-bon finds its roots in Buddhism and was originally celebrated on July 15th of the lunar calendar (until Jaryl. People believe their ancestors' spirits return to the world earther near their families, it is a good chance to communicate

Although the way of celebrating o-bon vanes from region to region, people usually invite prints to hold memoral services. place offerings and wait their appearant prices. They light "mukasis" fires on the 13th to quide the spirits to their families" places and "placeto" fires on the Mith to help them return to the world of the dead without getting last. In some areas, people float small shaps containing offerings and candles on rivers instead of lightnes oburty fires. This recempny is called either "shouryou (or shourou) nagashi" or "tourou nagashi"

Traditionally, a group of people wearing vulsata leasual cotton lamonol makes a circle and dances on the make of the 16th in the precincts of temples and shrines. The origin of this dence is closely related to Buddham; the bon odon of today, however, and commercial aspects. Now it is a community event that

In a bon season, many people take summer holidays because they want to commemorate their ancestors in their hometowns. turn home during this period. This creates a homecoming rush
